Are you looking to explore potential careers? [Forage](#) offers **free** virtual work experiences that allow you to explore different career interests. The simulations replicate work done at top companies (like J.P. Morgan) and range anywhere from 2-14 hours long. Upon completion, you can earn a certificate and get noticed by recruiters of those companies.

Discover the right job simulation for you

Each simulation is **free** and you can complete it in your own time.
