If you would like to add bullet points to your resume to capture the skills you've gained as a Rivet School Fellow, here are some suggestions:

- *Demonstrated mastery of over # college-level project based courses*
- *Utilized shared spreadsheets to track progress towards goals*
- *Managed projects by preparing for regular remote meetings, managing calendar invites, and prioritizing tasks using time blocks*
- *Conducted research and synthesized detailed analysis of complex information (including tables, charts, and executive summaries)*
- *Presented deliverables in presentations to key stakeholders*
- *Revised multiple iterations of projects based on detailed feedback*

If you would like to include more information about Rivet School on your LinkedIn profile, here is language you can use:

Accepted by application into Rivet School, a fellowship program providing Southern New Hampshire University undergraduate students with no-cost coaching, professional development, and other support.
