Extern (formerly known as Paragon One) offers remote externships that help you gain real-world experience to add to your resume. If you are interested in a career in consulting, marketing, finance, product management, or sales & business development, this could be a great chance to gain industry-relevant skills. Each externship is estimated at approximately 10-15 hours of work per week for anywhere between 2-8 weeks long. Many opportunities are unpaid while others offer stipends up to \$1,000.
