Grow with Google

Last Modified on 09/02/2026 7:46 pm PDT

Grow with Google provides self-paced online training (through Coursera) designed to put you on the fast track to jobs in high-growth fields, such as Cybersecurity and Project Management. No relevant experience required! In order to earn a Google Career Certificate, you must complete a 5-8 course series. The number of courses need to take depends on the program you are interested in. With the suggested pace of under 10 hours per week, each course can take anywhere from 3-6 months to complete. Rivet School fellows and alumni have access to Grow with Google **scholarships** for the following programs:

- Cybersecurity
- Data Analytics
- Digital Marketing & E-commerce
- IT Support
- Project Management
- UX Design
- AI Essentials
