Schools are organizations that have many teaching and non-teaching roles that all have the common goal of supporting student learning. If you are interested in working at a school or switching roles within your current school district, you can refer to this list of roles in your job search. We recommend using [EDJOIN](#), a leading educational job search platform.

	Teaching roles <i>work directly with students for a majority of their day.</i>	Non-teaching roles <i>support students outside of the classroom.</i>
