

# Test Prep Matrix

Last Modified on 09/16/2024 1:10 pm PDT

In order to become a teacher, you will need to pass specific exams depending on what state you live in and what grades/subjects you want to teach. The deadline to pass these exams is determined by the credential program you enroll in, but you will probably be expected to sign up or attempt them before the start date of the program. Our [test prep matrix](#) is a spreadsheet organized by state that highlights cost, recommended test prep resources, and alternative ways to meet these requirements.
